4TH NATIONAL PAEDIATRIC ONCOLOGY NURSING CONFERENCE 2025

Dear Friends,

On behalf of the organizing committee of Pediatric Oncology Nursing Conference 2025, we are pleased to formally invite you to participate in the 4th National Pediatric Oncology Nursing Conference, scheduled to take place at ACTREC, Tata Memorial centre in Mumbai on 17th, 18 and 19th of September, 2025 to celebrate **World Childhood Awareness Month and International Pediatric Hematology Oncology Nurses Day on 8th September**. It aims to empower nurses and allied professionals with cutting-edge knowledge, compassionate care strategies, and multidisciplinary collaboration.

The impact of childhood cancer translates into years of life lost, more significant inequalities, and economic difficulties. This situation can and should change.

The most common types of cancers in children are ALL, Brain and other CNS tumours, lymphoma and Neuroblastoma.

This conference is organized to enhance the knowledge of nurses regarding **Pediatric Hematological Malignancies** and the recent advances in its treatment.

The objective is to enhance knowledge about pediatric oncology among nurses and to create an opportunity for networking which will help in widening their horizons. ***We invite you to join with us and collectively achieve the goal set by WHO to achieve at least 60% survival for all children with cancer by 2030.***
